Seems to be more and more people asking about fitting the LS engine into the VR & VS Commodore. As I am pretty well through a three year build, and have learned a lot along the way I thought I would start a dedicated thread on it.

VR/VS LS Engine Conversion General Information ...

Thanks for posting this. I have been contemplating adding this to my 185....not really needed, but what the hell...for that amount with the discount, what else can I get for the boat these days....especially when I have it exactly the way I want it...I would like to hear some BOC reviews as responses.
